SERVICE GUIDELINES

The Worlds End Ultramarathon requires eight (8) hours of volunteer service by each participant. Fulfillment of this requirement can be in the form of trail maintenance or volunteer services at any official running event. The directors have a strong preference that runners perform their service in support of an ultra or doing trail work on a trail used in a ultra, but will accept service provided to any organized running event or trail work down on any trail commonly used by runners.

2. The service performed must be done within 1 year prior to the race date.
3. This form must be scanned and sent to the director no later than 1 week prior to the race date.
